In re: Motors Liquidation Company, et al., f/k/a General Motors Corp., et al. Debtors
Chapter 11 Case No. 09-50026 (REG)

This is in response to the Notice of Presentment of Order Expunging several claims (09-50026 reg, Doc 12155, Filed 10/22/12, Entered 10/22/12 16:53:37). Specifically Claim 60627, where I, Kevin M. Bloomstran, am the claimant.

I object to the proposed order to disallow my claim, Claim No. 60627:

- I object to the expungement of my claim, which is noted as, "GUC Trust is seeking expungement of (several claims) because (several claimants) failed to respond to the GUC Trust's repeated inquires as to whether the claimant intends to pursue its claim."
 - I do intend to pursue my claim. Dipes Patel of AlixPartners, LLC and I have been in contact with each other between May 4, 2012 and September 19, 2012. We have been negotiating a potential settlement, but have yet to come to an agreement. It was never presented that our negotiations had concluded, nor was I ever given this impression.
- I object to the removal of my claim from the claims registry.
 - I wish to continue to pursue my claim against the Debtor.
